Accountant's Responsibility

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. AUSABLE RIVER ASSOCIATION, INC.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2019 AND 2018

(See Independent Accountant's Review Report)

1. ORGANIZATION

Ausable River Association, Inc. (the Organization) is a not-for-profit organization that provides public education, scientific monitoring and stream restoration services to improve the health and resilience of the Ausable River for the benefit of ecosystems and the Ausable Watershed communities of Essex and Clinton Counties. The Organization builds community support for a healthy Ausable River by sharing knowledge, information, priorities and practices with the public that help them to steward the river and its resources; and by partnering with municipalities, New York State and federal agencies, local lake associations and private organizations to, where applicable, rethink or improve river-related management practices.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Organization's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Changes in Accounting Principles

On January 1, 2019, the Organization adopted Accounting Standard Update 2014-09, *amending guidance on "Revenue from Contracts with Customers (Topic 606)"* (ASU 2014-09). The objective of ASU-2014-09 is to align the recognition of revenue with the transfer of promised goods or services provided to customers in an amount that reflects the consideration which the Organization expects to be entitled in exchange for those goods or services. Policies related to recognition of revenue for the Organization are discussed in Note 2. ASU 2014-09 replaces existing revenue recognition guidance under U.S. GAAP. Adoption of this standard did not have a material impact on total net assets or change in net assets.

During 2019, the Organization adopted Financial Accounting Standards Board ASU 2018-08 *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made* (ASU 2018-08). ASU 2018-08 clarifies the determination of whether a grant or contract is a contribution or an exchange transaction subject to other guidance. Changes resulting from the adoption of ASU 2018-08 were made on a modified prospective basis during the year of adoption and therefore had no effect on the financial position or results of operations for the year ended December 31, 2018. There was no impact from the change in accounting principle on the financial position or results of operations for the year ended December 31, 2019.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Reporting

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net Assets Without Donor Restrictions - This category of net assets is not restricted by donors. The Board of Trustees can authorize use of these assets, as it desires, to carry on the purpose of the Organization according to its bylaws.

Net Assets with Donor Restrictions - This category of net assets represents donor-imposed restrictions that permit the Organization to use up or expend the donated assets as specified. Donor restrictions are satisfied either by the passage of time or by actions of the Organization. The Organization has no net assets with donor restrictions in 2019 or 2018.

Cash

The Organization maintains its cash in bank and deposit accounts, which, at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk with respect to cash.

Grants Receivable

Certain revenue is earned on cost reimbursable type contracts as services are provided and expenses are incurred to carry out the objectives of the related contractual arrangements. Cost reimbursable contract revenue is recognized only to the extent the contract allows for the related costs incurred by the Organization and cannot exceed the maximum amount allowed for under the contract. Funds advanced to the Organization prior to the earnings process are deferred and included in the caption "advance funding payable" in the accompanying statements of financial position. Revenue earned in excess of payments received from the grantor is accrued as grants receivable.

Grants require fulfillment of certain conditions as set forth in the instrument of the grant. Failure to fulfill the conditions could result in the return of the funds to the grantors. Changes in grant funding recognition, if any, are recognized in the year known.

The Organization considers grants receivable to be fully collectible. Accordingly, no allowance for doubtful accounts has been reflected in the financial statements. If in the future, management determines that amounts may be uncollectible, an allowance will be established, and operations will be changed when that determination is made. Accounts for which no payments have been received for several months are considered delinquent and customary collection efforts are begun. After all collection efforts are exhausted, the account is written off.

Contributions receivable

Contributions receivable are recognized as revenues in the period in which there is sufficient evidence that an unconditional promise was received. Conditional promises are recognized when the conditions on which they depend are substantially met. All contributions receivable are expected to be collected within one year. The Organization considers contributions receivable to be fully collectible. Accordingly, no allowance for doubtful accounts has been reflected in the financial statements.

Fixed assets

Fixed assets are stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets which are seven years. Depreciation expense was \$1,319 and \$-0- for the years ended December 31, 2019 and 2018, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fixed assets (Continued)

All assets greater than \$1,000 with an estimated useful life of more than one year are capitalized. Expenditures for major renewals and betterments that extend the useful lives of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred.

Revenue Recognition

Program revenue, consisting of Healthy Streams, Monitoring – Clean Water and Biodiverse Habits, is recognized when the Organization provides the service.

Performance obligations for all of the Organization's services are provided and consumed at a point in time, not over time, and therefore these types of fees allocated to performance obligations are not left unsatisfied or partially unsatisfied at the end of the reporting period using the input method.

Grant Revenue and Contributions

Grant revenue is based on predetermined grant funding and cost reimbursement principles, which are subject to audit, by the respective third-party fiscal intermediaries. The Organization's performance obligations include providing services in line with approved grant contracts.

All contributions are considered to be available for use without donor restriction unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as donor restricted support. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

Allocation of Functional Expenses

The statement of functional expenses presents expenses by both functional and natural classification. Certain categories of expenses are attributable to one or more program or supporting functions, and these expenses are allocated to the reported functional columns. These expenses, along with the Organization's allocation methods used for major functional expense categories are as follows:

Salaries and related fringe benefits and payroll taxes are allocated based on time spent. Rent and computer related expenses use the same allocations. Expenses not mentioned above are direct charged to the appropriate function on a transactional basis.

Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the United States Internal Revenue Code and is not a private foundation.

Advertising Costs

The Organization expenses advertising costs as incurred. Total advertising costs were \$3,774 and \$1,342 for the years ended December 31, 2019 and 2018, respectively.

Reclassifications

Certain reclassifications have been made to the 2018 financial statement presentation to correspond to the current year's format. Net assets and changes in net assets are unchanged due to these reclassifications.

3. LIQUIDITY

The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Organization is substantially supported contributions and grants. As such, the Organization regularly monitors liquidity required to meet its annual operating needs. The Organization's financial assets available to meet cash needs for general expenditures within one year are:

	<u>2019</u>	<u>2018</u>
Financial assets at December 31:		
Cash	\$ 94,084	\$ 131,572
Grants receivable	<u>10,262</u>	<u>17,382</u>
Total	<u>\$ 104,346</u>	<u>\$ 148,954</u>

4. CONCENTRATIONS

The Organization recognized approximately 21% and 12% of revenue from grants received from New York State during the years ended December 31, 2019 and 2018, respectively. Included in grants receivable is \$1,487 and \$13,225 related to these New York State grants as of December 31, 2019 and 2018, respectively.

5. OPERATING LEASE

The Organization entered into a one-year lease for office space in March 2019 (the Organization was previously leasing the office space on a month-to-month basis) expiring February 2020. Annual rent expense under the lease is \$12,000. As part of the lease the landlord will contribute \$2,820 to the Organization. The amount of the contribution from the landlord is included in contributions for the year ended December 31, 2019. The lease has been subsequently renewed for an additional year at the same terms. Rent expense was \$11,600 and \$7,200 for the years ending December 31, 2019 and 2018, respectively.

6. RETIREMENT PLAN

The Organization has a Savings Incentive Match Plan for Employees of Small Employers (SIMPLE plan) which covers employees who meet certain eligibility requirements. Annually, the Organization is required to make a matching contribution equal to salary reductions up to a limit of three percent of employee compensation. The contributions to the plan were \$5,474 and \$2,930 for the years ending December 31, 2019 and 2018, respectively.

7. SUBSEQUENT EVENTS

The United States is presently in the midst of a national health emergency related to a virus, commonly known as Novel Coronavirus (COVID-19). The overall consequences of COVID - 19 on a national, regional and local level are unknown, but it has the potential to result in a significant economic impact. The impact of this situation on the Organization and its future results and financial position is not presently determinable.

In April 2020, the Organization received bank financing in the amount of \$44,000. This note was part of the U.S. Small Business Administration's Paycheck Protection Program (PPP) under the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The PPP provides for this borrowing, or a portion of the borrowing, to be forgiven to the extent the Organization meets defined requirements related to expenditure of the funds and management of the Organization's personnel complement.

7. SUBSEQUENT EVENTS (Continued)

Through the date the financial statements were available to be issued, the Organization is unable to determine the amount of potential loan forgiveness. If no forgiveness is granted, the terms of this agreement require the Organization to make monthly principal payments including interest at 1%, from November 2020 through May 2022.

In addition to the above loan the Organization received a loan advance of \$5,000 under the Economic Injury Disaster Loan program (EIDL). The loan advance does not require repayment however the amount of the forgiveness under the PPP loan will be reduced by the amount of the advance under the EIDL program.

Subsequent events have been evaluated through June 11, 2020, which is the date the financial statements were available to be issued.
